POE (power over Ethernet) Network

- Any station can call any station by dialling the station number.
- The 3 DAK (Direct Access Keys) will be programmed to call the 3 Reception Stations.
- Any station can make a "ALL CALL" by dialling 65. Pressing and holding the "M" key while making an announcement.

## Note:

Flush Stations should not be mounted back to back on the same wall, they should be mounted at least 1 metre apart and more if possible.

If flush back boxes are being used please refer to installation drawing supplied with backbox, or on our web page: https://intercom.ringuk.co.uk/wp-content/uploads/sites/8/2021/11/Mounting-AlphaCom-Flush-Back-boxes-to-Plaster-board-covered-walls-no-Footer.pdf
